- Waste management
- Water supply

Hynds Paper of the Year Award

Purpose

To encourage INGENIUM members to present papers on asset management and engineering for infrastructure.

Objectives

- To secure a selection of papers for presentation to annual conferences of INGENIUM. In 2008 the conference will be at Gisborne, 5 - 7 June.
- To develop a library of "papers" for the benefit of our industry.
- To publish papers prepared by INGENIUM members.
- To encourage members to develop their presentation skills.
- To foster exchange of information and improve standards of asset management and engineering for infrastructure.

Value

The winning presenter will receive return airfares for two (ie winner and partner) from Auckland, Wellington or Christchurch to present the winning paper at the annual conference of the Institute of Public Works Engineering Australia, Queensland Div (IPWEAQ), to be held in Logan over the period 5 to 8 October 2008. The prize includes accommodation for the period of the conference, airport transfers, and delegate and partner conference registration fees.

Prizes of mystery weekends for two will be presented to the two runners up.

All entrants who provide a complying paper that is not accepted for presentation at the INGENIUM conference will receive book vouchers to the value of \$100.

This competition is open to all INGENIUM members.

Entries close at 5pm on **Friday, 11 April 2008** at the following address:

Postal Address: INGENIUM P O Box 118 THAMES	Courier Address: INGENIUM 406-408 Queen St THAMES	Email Address: ross@ingenium.org.nz
