- Streetscape projects
- Traffic management
- Urban planning
- Waste management
- Water supply
- Sustainable infrastructure

Hynds Paper of the Year Award

Purpose

To encourage INGENIUM members to present papers on asset management and engineering for infrastructure.

Objectives

- To secure a selection of papers for presentation to annual conferences of INGENIUM. In 2010 the conference will be at Christchurch, 10-12 June.
- To develop a library of "papers" for the benefit of our industry.
- To publish papers prepared by INGENIUM members.
- To encourage members to develop their presentation skills.

- To foster exchange of information and improve standards of asset management and engineering for infrastructure.

Value

The winning presenter will receive return airfares for two (ie winner and partner) from Auckland, Wellington or Christchurch to present the winning paper at the annual conference of the **Institute of Public Works Engineering Australia (Queensland Division)**, to be held in **Brisbane** over the period **5 to 8 October 2010**. The prize includes accommodation for the period of the conference, airport transfers, and delegate and partner conference registration fees.

Prizes of mystery weekends for two will be presented to the two runners up.

All entrants who provide a complying paper that is not accepted for presentation in the Hynds Paper competition will receive a gift vouchers to the value of \$100.

This competition is open to all INGENIUM members.

Papers are to be prepared in accordance with the INGENIUM Rules for Entries.
Copies of the rules are available on request from Gina Calder at INGENIUM:
(admin@ingenium.org.nz).

Entries close at 5pm on **Friday, 9 April 2010** at the following address:

INGENIUM
P O Box 25415
Panama St
WELLINGTON 6146

Enquiries should be directed to:
